C/980 9 June 1960

C/IB

Direct Telephone Line to Matual of Omaha, Weahington, D. C.

- 1. Nestenday Mr. Stand suggested that in view of the hood for rapid communication between himself and us in operations, it might be advisable to have a direct line installed between himself and Matualian
- 2. He further advised that other organizations underweithen by Submal were following this practice. I therefore pass his request on to you for action.
